# Out of State Tournament Travel Policy

## Eligibility

1. Players selected for the team after tryouts are eligible for out-of-state tournament travel, provided there is available space on the roster.

## Tournament Types

1. **\*\*U15-U18 Teams\*\***: Participation in showcase tournaments will be the default. These tournaments prioritize exposure and evaluation by coaches over winning.

2. **\*\*Younger Teams (U14 and below)\*\***: Out-of-state tournaments will focus on competition, travel experience, and personal development.

## Guest Players

1. Guest players may be added to the roster to assist in increasing team size for tournaments. However, they should not replace players already on the team.

## Playing Time

1. While playing time is not guaranteed, coaches will make every effort to provide all players with game time in every match.

2. In showcase tournaments, equal playing time is prioritized to ensure all players have the opportunity to be evaluated by coaches.

This policy is designed to promote development, and exposure for all players participating in out-of-state tournaments.
